## The Stunning Mixture

NutriBiotic performs:

- Helping to break down food
- Making nutrients and vitamins
- Fighting off potential pathogens
- Strengthening immunity

## HOW ITS WORK?

- ***Bifidobacterium lactis***  
Breaks down our body waste and help in the absorption of various minerals and vitamins during the digestive process
- ***Lactobacillus acidophilus***  
Helps treat a variety of medical conditions such as digestive issues, yeast infections and eczema
- ***Bacillus subtilis***  
Improves the digestive health of dog and cats compared to a diet without the additive.

## PICK YOUR BIOTIC!

***Bacillus subtilis***

***Lactobacillus acidophilus***

***Bifidobacterium lactis***

***"Happy Tummy  
Happy Pet"***
